1. Hear, see, feel, become.

Hear, see, feel, become.

Hear, see, feel, become. I told you this is the paradigm of Me—My school of schools, My school of schools who will schools birth many, multitudinously covering My earth, My earth, My planetary system—for Me.

2. I come—hear Me, see Me, feel Me, become Me. You're getting it, you're getting it. You've got Me and so much more and more will you break open to My body, giving them the Me on My table, for them, for them to become Me, to operate with Me, in Me, one—God and man at table are sat down—of Me, together, Me—one.

3. What did I do? Or what did I become?

What did I see? Or what did I become?

What did I hear? Or what did I become?

What did I hear and how did I become it, what I became?

4. How did I become what I did, who I am, who I became?

Answer Me, answer Me, answer Me young person, middle aged person, you who think you know Me. Answer Me out loud and call My name and tell Me how I became who I am and what I did, and how what I did came through and out of who I am.

5. Not just birthright—choice.

I had a choice—and I always give you choice.

He, My Father, gave me choice—I had many choices.

I made them. You see the result.

6. I love you. I love you. I chose you—every one of you I chose. I chose to give My Father every one of you—that's why I suffered and died, laying My deity aside. As a man I came, as a man I lived, as a man I saw My Father and heard Him and developed and matured and learned at His knee. I learned for I chose to learn. I loved. I learned and I suffered and learned more.

7. I love you. Thank you for not answering your phone. In the car leave it more, so intimate we can be; more, more, more. I love you, I love you, I love you.

8. I touch your brow, I caress you, you, you, My heart to your heart, emotioning you with the steel of My Spirit, to intimacy My body with Me, calling them to maturity and

walking them into it, with your hand in theirs, theirs in yours, until you can hand them to Me and intimate be.

9. Oh pure, oh love, transcendent, oh tenderness, tenderly touching—hearing, feeling, seeing, becoming—becoming, becoming, becoming Me, My body, My blood—to My body, love displayed.

10. I became a sacrifice, the sacrifice. You Ted, a sacrifice. And every one of My royal-ized, a sacrifice, to pass around to My people. Tell them, show them the picture. Get permission to use it; show Me, tell Me, display Me, and dance with Me throughout My body.

11. Intimacy is intimate Ted, My body—My reader, hearer, listener, wonderer. Intimacy is intimate—nothing hidden, open, pure, silken, sheen of only Me. Intimacy is not sexual only a representation of Me—My intertwining, inextricably intertwined in interexchange of hearts, blood, marrow-producing cells of life reproducing, rejuvenating, re-alivening, abundance-ing, in confidence and identity, and therefore significance, significance, significance—in Me, My kingdom, My body, My word large and getting larger as My intimacy'd ones open to Me and My words and My wisdom and allow Me to arise them as never before—significance them as un-thought of, unheard of, unimaginable by human intellect.

12. I come, I call, and I'm tired of intellect reigning, mammon reigning, destroyer-led forces reigning. My time is now and creating I am through the force of My words—returning not to Me void but fulfilling the purposes forthwith for which I send them, sent them, and will send so many more—armies of generals who generals are in My spirit—surrendered submitted, whose quest it is to generals make. Co-optation not, competition not, competitive not, but one in Me—yes—loving, loving, loving—obediencing My troops to only Me, My values, My words—directly to them—in maturity—purity brought forth—realized, recognized and walking in.

13. There is always a cost. You share it well. Share increasingly of My cost and your cost paid, and details detail for derailed not do I want any, when assailed by harder than thought battles—countless forces of Me coming to the rescue-able, the receivable, the open-to-Me, who won't give in, won't give up, but purity seek.

14. Hear, see, feel, become.
Hear Me, see Me, feel Me, become Me.
I became a sacrifice—the sacrifice.

15. What will you become Ted? Will you elevate yourself in your own eyes? Will you elevate your income to astronomical levels and luxury live in? Or as I—who made Myself of no reputation?

16. A sacrifice—I am—I was—I am. What are you? You are—will you stay one? Will you become Me more, more Me, and sacrifice remain so I can pass you around to My body globally for generations to see, hear, feel, become—through you—or what Ted? You choose.

17. Me, Me. See Corne, see Kathaleen, see Bruce, see Pat and Benny and see the lame and dying destitute and declare My glory over them all. All Me Ted, all Me, all one—no respecter of persons, personage, heritage, or legacy leaving. Me Ted, sacrifice I am, I became, I am.

18. Will you sacrifice more Ted? Will you, will you, will you please?

19. I love you. Elevation comes, will you seek Me more? My word comes, My words come—will you seek Me more? Or will you get busy with architects and donors big who love your time and associations make?

20. Who are you Ted? You know who you are, who will you become?

21. Will you birth the prowess of power-fueled people of My words increasingly in sacrifice, or amidst luxury?

22. Will your quest diminish to know My intimacy more, or will you plateau, as normal, as habitually done by My questers previous?

23. What will you become? The jury is out Ted, and you force the hand.

24. I see your tears. I see your heart. Will man's adoration corrupt? Or compel you intimately into Me more intimately?

25. You choose, you choose, you choose.

You choose what you hear.

You choose what you see.

You choose what you feel.

You choose what you become.

You choose if you hear Me, increasingly, pinpoint accuracy of My reflection, inflection, word usage—directives.

You choose if you see Me, see what I am doing and will for you, as you see you doing it.

26. You Ted, and every single one—choose how you feel, how you will feel, and see if you feel Me, and operate out of obedience and not feelings—feeling the dove on your shoulder at times, and lashes on your back others.

27. Will your sacrifice increase or diminish? Ted, answer Me.

28. "You must increase and I must decrease." Well said. You chose. You chose and you choose continuously. And as I walk you through halls of power and associations royal, Ted, you choose—sacrifice, sacrilege, or all manner of self-elevation.

29. Elevate you, and I'll leave you where I found you.

30. Where much is given much is required.

31. I come, I call, I confirm, and I confirm this day that I call for more sacrifice—what you call it—on your part, for elevation and escalation in My Kingdom and into realms awaiting you—delicacies of truth—for only you, from only Me, coming forth in intimacy.

32. I have your delicacies of truth for only you—reader, listener, hearer, wonderer of these words—I have yours, for only you—come to Me and intimate be, and let Me give you all I have for you, you, solely you, your life, your now, your family, your circumstance-rendering revelation truth—acted upon seeing Me in you and you in Me and My words coming forth out of you, your pen, your mouth—becoming Me increasingly. Demonstrative—of Me.

Schools—of Me.

Value systems of Me.

Patents and commerce—of Me.

Education central—of Me.

Worship of Me—central—core-centric.

Me—My voice—My substance—My words—Me—us—one.

33. Money is so small, money means nothing to Me.

Your heart is everything.

Intimacy with you—is everything.

Let everything else flow out of who you become—and become Me more.

And help My body become Me more—to Me, with Me, and to and with each other.

A sacrifice—to each other.

Being passed around—to each other.

My body, My blood, My cup—to all My body.

34. Royal—I'm making the destitute—who will declare Me their God, their king, their Most High, and intimate be—purity, purity, purity.

35. I love you. I've spoken—you've chosen.

You choose. Daily you choose. Daily you choose.

Nightly you choose.

Hourly you choose.

Decision by decision—feeling by feeling—word by word—conversation by conversation.
You choose, you choose, you choose.

36. I love you. This message is to all, all of My body—not Ted alone, Ted yes—but not only Ted. You choose, you choose, you choose.

37. I am on the table—see Me.

I am on the table—see Me.

I'm at the table calling you to Me.

And your name card bears your name—your name now and your new name as you operate in Me.

38. Let Me, let Me, let Me.

39. Come, call, confirm, compliment, encourage, speak, affirm, confirm, affirm, confirm those seekers of Me—Ted, all—of every label—who quest after My gentleness, in My quarters, of only Me—in purity of spirit, purity of decision, purity of lifestyle, purity of Me.

40. I speak. I have spoken. You've written well. Imperfect you are and will be always—but so usable. Passing you around I am—the picture—you placed in your heart, crying out to Me—

Take Me

Bless Me

Break Me

And pass Me around to your people.

41. This I do Ted. I answered your cry, your request.

I led you as a babe—tenderly I led you—through pain and sorrow, and victories of intimacy—to pass you around to My people.

42. Now intimate be and increase with Me—a living sacrifice, a living sacrifice—reflecting Me.

Thank you. Thank you.

I Am—thanks you.
